

Think About It Grades 3-8

(to be completed by the student)

In your own words, tell why you were given a strike.

I _____

Describe the situation that led up to your actions.

I _____

Tell about your thoughts and feeling that led you to get a strike.

I _____

If this same situation happens again, explain how you are going to handle it differently.

*continued on back...

I will do my best to follow through with my action plan to make better choices.
