

I started my teaching career in September of 1990 at St. Paul's School in Kenmore, NY. During the past 30 years I have taught at various Catholic Schools in the Buffalo Diocese. I have had the privilege to teach many wonderful students from Pre-K to 12th Grade, and have worked with many talented teachers.

I graduated from SUC at Buffalo in May 1984 with a Bachelor of Science in Business Studies. I obtained my New York State Permanent Certification in Business Education in August 1999. After that, I received my Master of Science in Education in the Educational Computing Degree Program in May 1999.

I have spent my entire life in WNY and currently live in Pendleton with my wife, Debbie. I have one daughter, Elizabeth, who is married; and a dog Rocky.

I perform and play trumpet in many musical organizations. I enjoy fishing, swimming, and traveling.
