2022-2023

Tuition Aid Application

Nativity of Our Lord School Tuition Aid Program

Dear Parent / Guardian:

In order for your need for financial assistance to be appropriately evaluated, some personal, and what you may consider confidential questions will be asked or documentation required from you during this process. All information requested is considered confidential and access to this information will be limited. This information is necessary because the school’s resources, to provide aid to families, are limited. Tuition aid will be done during the summer prior to the children returning to school. Tuition aid is not guaranteed, and is on a needs basis. Aid in prior years is taken into account, but does not guarantee continued aid each year. Please return this form and all supporting documentation to business office by Sept 15th 2020. The Business Office will notify you of the tuition aid decision once your application has been reviewed.
