

Dear Parents,

Nativity of Our Lord students are utilizing technology and creating online student art portfolios using Artsonia.com. You will be able to view the artworks that your children do throughout the year on this website. Artsonia will also keep a record of your child's work from year to year so as your child grows, you will be able to look back and see your child's progression.

You can also help to support our school! At any time throughout the school year you will be able to visit the Artsonia store and purchase keepsakes of any of your child's artworks. Perhaps, you have a child who loves to create at home or takes private lessons? You will also have the option to upload those works to Artsonia from home and create gift items from the store.

20% of all sales will go to Nativity of Our Lord and we will use any funds we receive to help enrich our Art program.

Please note, this is a website for art only. No photos of any student will ever be used.

Personalized QR codes will be coming home OR simply scan the Nativity QR code to begin!

Sincerely,

Ms. Geerkin  
Art Teacher
