

GET TO KNOW

YOUR HSA BOARD

PRESIDENT - KATIE MCCORMICK

Katie joins the Nativity HSA Board with more than six years of HSA leadership experience. Through these leadership roles, Katie developed strong organizational, communication, and collaborative skills while working closely with families, teachers, administrators, and community members. During this time, Katie organized a variety of engaging family events and educational programs designed to strengthen school spirit and encourage student learning. Over the past two years, Katie has also been an active volunteer within the Nativity community, contributing her time to numerous school events and activities. These experiences have given her the opportunity to get to know Nativity families, students, and staff while contributing to the vibrant community that makes Nativity special. Katie is excited to bring her leadership experience, creativity, and passion for community building to the Nativity HSA. She hopes to help foster a positive, inclusive, and connected school community where students, families, teachers, and staff feel supported and engaged. Above all, Katie's favorite role is being a mom to Kellan, an 8th grader, and Brenna, a 6th grader.

VP OF FAMILY ENGAGEMENT - EMILY EID

I am so excited to be a part of the Nativity HSA board this year! I have three kids, Charbel (K), Joseph (PK3), and a two-year-old, Grace. Being a part of my children's educational experience has always been a goal of mine, and I am happy to bring all my previous professional and volunteer experience to the Nativity community. My goal for the upcoming school year is to help plan fun events for our kids - contributing to some of their core memories, helping them make friends, and growing their love for their Catholic education and faith. A fun fact about me is that I'm from San Diego and moved to Buffalo 5 years ago!

THANK YOU FOR YOUR SUPPORT

VP OF FUNDRAISING - SARAH BRUSO

Hi, I'm excited to be serving on the Nativity HSA this year! My family joined the Nativity community in 2025, and my son, Matteo, will be starting 3rd grade this September. Professionally, I've served as the CEO/CFO of a local credit union for the past 22 years. After previous employment in the hospitality and wedding planning business, event planning comes second nature to me. I previously served on the HSA and school board at SJV. I love giving back to the teachers, students, and families who play such an important role in my son's life, learning, and future success. I'm looking forward to working alongside the HSA team, administration, staff, families, and volunteers to make this year's events memorable, fun, and successful year.

TREASURER - KATRINA BASIL

I'm Katrina Basil. My husband Chuck and I have two kids - our son, Charlie, is going into 2nd grade and our daughter, Kora, will be starting kindergarten in September 2027. We have been a part of the Nativity Parish since 2019 and the Nativity school since Charlie started kindergarten in 2024. This year I will be serving as Treasurer for the HSA. I worked in the banking industry for 18 years until I transitioned to full-time mom.

What I love most about Nativity is the community. This year I look forward to helping our families come together to plan and enjoy the numerous fun-filled events that we throw throughout the year.

SECRETARY - KATEE TIBALLI

Hello everyone! I'm Katee, and I'm honored to serve as your HSA secretary this year. As both a parent and active member of our school community, I believe that strong partnerships between families, teachers, and staff help create the best possible experience for our children. I believe that clear communication and teamwork are essential to a strong HSA, and I'm committed to helping our board work together to make a positive impact. Outside of HSA, I'm a pharmacist and mom to a 3rd grader, Claire. Our family enjoys spending time together camping, visiting Disney, and making memories through community events and school activities. I look forward to meeting more of our wonderful school families throughout the year. Please don't hesitate to say hello, share ideas, or get involved. Together, we can make this an amazing year for our students, teachers and families!
